Priest's Message

Who wrote this, Pope St Paul VI or Pope Francis:
"When we fail to acknowledge as part of reality the worth of a poor person, a human embryo, a person with disabilities – to offer just a few examples – it becomes difficult to hear the cry of nature itself; everything is connected. Once the human being declares independence from reality and behaves with absolute dominion, the very foundations of our life begin to crumble."
Answer: Pope Francis, *Laudato Si* (2015), n.117.

Children's Room/Confessional

The Parish is relaunching the Children's Room near the front entrance, for use by parents of very young children during Mass. If you have plastic washable toys which are no longer needed at home, please bring them to the sacristy to be re-washed and made available for the children.

We hope relaunching the Children's Room will further build our Parish's reputation as a welcoming community
