Notices

Newsletter: The editor is past retirement age, and I am sure there are several members of the community who could take on this simple and interesting job for the community. I am perfectly willing to pass on my knowledge. It is only an hour or so each week, and church funds will cover all expenses. Please talk to me after Mass or 01367 243065 or troplos@aol.com

New Communication Team: The Parish is looking to gather a team of people to look after communication in the community. Six (6) individuals are now being called for, who have good skills and interest in written and/or visual communication, and who can commit for three (3) years. The voluntary contribution is no more than 30 minutes or so per week, and could be less overall. It is anticipated the Team will divide responsibilities between them on a rota system, to compile & print the weekly newsletter, to manage the noticeboards, keep a parish diary and parish emails, and to

arrange for local advertising for major events. There will be no meetings to attend, or personal costs incurred, and practically all the work can be done at home. You can write to Fr. Paul see email opposite, or talk with Tony. This is our Parish Community and it needs you. **We have had one volunteer**, I am sure there are more who could give very little time to assist.

Please continue your prayers for Yvonne and her family. Thanks

This is the heir, come let us kill him, and acquire his inheritance. They seized him, threw him out of the vineyard and killed him.

[May] the Lord grant us the grace of humility to look upon Jesus as the Savior who speaks to us: Each one of us ought to say: he speaks to me! When we read the Gospels: he is speaking to us!
