Priest's Message

Who wrote this, [Pope St Paul VI](#) or [Pope Francis](#):

"The family is the primary unit in the state; do not tolerate any legislation which would introduce into the family those practices which are opposed to the natural law of God. For there are other ways by which a government can and should solve the population problem—that is to say by enacting laws which will assist families and by educating the people wisely so that the moral law and the freedom of the citizens are both safeguarded."

Answer: [Pope St Paul VI, Humanae Vitae \(1968\), n.23.](#)

Stanley's Baptism

This afternoon we have the joy of celebrating baby Stanley's baptism. We hope and pray that he and his family will continue to grow in the communion of the adopted children of God.

[Welcome, Stanley!](#)

Children's Room/Confessional

The Parish is relaunching the Children's Room near the front entrance, for use by parents of very young children during Mass. If you have plastic washable toys which are no longer needed at home, please bring them to the sacristy to be re-washed and made available for the children.

[We hope relaunching the Children's Room will further build our Parish's reputation as a welcoming community](#)
